INSPECTOR HALL PLACED ON TRIAL

Rapid Progress Made at Manassas in Hearing First Case

TRIED SEPARATELY

Little Difficult Was Experienced in
Securing a Jury in Prince William
County.

Manassas, Va., Sept. 3.—Rapid progress was made yesterday in the trial on a charge of murder of W. C. Hall, a Virginia prohibition officer, an outgrowth of the sensational killing several months ago of Lawrence E. Hudson and R. C. Shackelford, alleged bootleggers, by State prohibition officers, three others of whom are under indictment for murder.

Prohibition Officers Harry F. Sweet, W. B. Dunleavy and J. H. Sullivan, indicted jointly with Hall, elected to be tried separately, whereupon the Commonwealth arraigned Hall, and, after the usual preliminaries and a plea of not guilty, the State began the introduction of testimony.

Selection of the jury, contrary to expectations, occupied barely an hour, Judge Brent ruled that the fact of having read newspaper accounts of the killing of the two blockade-runners would not of itself disqualify a venireman from service.

Hall was arraigned on the indictment charging him with the murder of Hudson. During the course of the day ten Commonwealth witnesses were put on the testimony of some of these being merely formal in establishing the corpus delicti.

Perhaps the most important witness for the prosecution of the ten deposing was Mrs. Alfred Bly, who lived adjacent to the scene of the dual killing. She had been awakened by her baby and testified that she saw from her bedroom five flashes and heard the reports of the revolver shots, all of which were fired from outside of the automobile in which the victims were traveling.

Her husband's and her sister's testimony tended to corroborate her and to show by which party the first shot was fired. Mrs. Bly was subjected to rigid cross-examination by Attorney L. O. Wendeburg, of Richmond, leading counsel for the defense, but she maintained her testimony.

Photographs of the scene of the shooting were introduced, as was the bullet-punctured windshield of the Shackelford-Hudson car, the prosecution seeking to show that the bullets which penetrated them were fired from the right side of the car, the purpose being to establish that the officers fired first.

State Prohibition Commissioner Peters is among those attending the trial, which will probably consume a week.

The jury box was filled in less than an hour, despite the fact that many veniremen evidenced some feeling in the case as they were questioned, and one of them remarked, "I feel I don't want to have anything to do with it."

PAY SCHOOL TAXES NOW

There Will be a Rush Beginning Monday

The collector of taxes urges all parents to pay their school taxes now in order to avoid the rush beginning Monday when the work of issuing permits is started. A majority of persons wait until the day permit is issued before paying their school tax. This means frequently a delay of several hours on the part of many persons who are compelled to wait at the office of the tax collector on account of the crowd.

OPENING OF THE CITY SCHOOL
School permits will be issued at Lee School building commencing Monday morning, September 8, 1919. Permits will be issued to white children Monday and Tuesday. Permits for West End School will be issued Wednesday. Permits for colored children will be issued Thursday and Friday. Every child who expects to attend the schools will be required to present tax receipt.

ASK FOR \$10,000 TAX

Executive Committee of National Prohibitionist Party Offers Drastic Regulation

Chicago, Sept. 3.—The executive committee of the national Prohibition party, which is in session here yesterday, adopted a resolution favoring a tax of \$10,000 per gallon on alcoholic beverages if the sale of intoxicants is permitted between the time of the demobilization of the army and next January.

Virgil G. Hinshaw, chairman, was instructed to communicate with Congressman Randall, of California, informing him of the party's stand.

The committee will issue a call for a national convention in 1920 and the convention will decide whether candidates for President and Vice-President shall be named by the party.

PROTEST AGAINST FARE BOOST BY RWY

Commuters of Wash.-Va.
Road Will Meet Friday
Night in W. C. C. Club

COMMUTERS INVITED

Would Increase Fare From Here to
Washington From 15 to 25
and Round Trip From 25 to 40 Cents.

A mass meeting of the commuters of the Washington-Virginia Railway of this city will be held at 8 o'clock Friday night in the War Camp Community Club, formerly the Elks' Club, for the purpose of mapping out plans to resist the proposed increase in fare which the Washington-Virginia Railway Company desires to have put into operation by the Interstate Commerce Commission.

The petition was filed August 14. In the schedule of proposed increase in rates they ask to be permitted to increase the single fare between this city and Washington from fifteen to twenty-five cents and the round trip from twenty-five to forty cents.

The fifty-two trip monthly ticket, used by a majority of the commuters, which now sells at \$4.05 they desire to increase to \$6.25 and the twenty-five trip ticket which now sells at \$2.50 they would increase to \$3.87. Corresponding increases are asked for intermediate points.

All patrons of the road who pay their fare are invited to attend this meeting. Those fostering the movement express the hope that every patron, both male and female, will come to protest against the proposed increase. Persons anxious to pay the proposed increase are requested to refrain from attending the meeting.

An increase in freight rates on milk also is contemplated it is stated.

ANNUAL MEETING

The annual meeting of the stockholders of the Union Building Co. 1 will be held at the office of the Company, 119 South Fairfax Street, Alexandria, Va., on Monday, September 16th, 1919, at 11:30 a. m., for the election of officers and directors for the ensuing year and the transaction of such other business as may properly come before the meeting.

SOLDIERS' CELEBRATION

Colored Soldiers to be Feted—Big
Parade Tomorrow Afternoon
and Night

A welcome home celebration to the colored soldiers of this city and Alexandria county will be started tonight and end tomorrow with a grand parade.

There will be a grand musical and literary program at 8 o'clock tonight at Shiloh Baptist Church and a street parade at 3 o'clock tomorrow afternoon which will be followed by a banquet at 8 o'clock in the evening at Odd Fellows' Hall.

Addresses at the Shiloh Church tonight will be delivered by Rev. Haynes and T. M. Watson and Mrs. Maria Madra Marshall. The parade tomorrow afternoon will form on Wolfe street and the line of march will be as follows: West on Wolfe to Alfred, south on Alfred to Gibson, east on Gibson to Royal, north on Royal to Princess, west on Princess to Alfred, south on Alfred to Queen, west on Queen to Payne, south on Payne to King, east on King to Washington, south on Washington to Wolfe, and west on Wolfe to Odd Fellows' Hall.

The parade will be made up of band, Elks, Unions, Samaritans, St. Lukes, Tents, Social Clubs and Floats.

The chairman of Committees: John Pritchett, parade; Samuel N. Tucker, general committee; William H. Russell, chief marshal; Shadrach Jackson literary program.

MEN IN TRUCK KILLED

Vehicle Struck by Excursion Train to
Sensboro

Camden, N. J., Sept. 3.—Samuel Sloss, 60 years of age, a commission merchant and James Ballaine, aged 60, both of Atlantic City, were killed when an excursion train from Corson's Inlet, on the Philadelphia and Reading, at 7:20 A. M., yesterday crashed into a motortruck in which they were riding. Samuel Gorson, aged 25, a returned soldier, died in Cooper Hospital here from broken arms and legs and fractured skull.

The truck was reduced to kindling and the locomotive virtually wrecked. The Labor Day rush from the shore was delayed for several hours.

ALLIED ULTIMATUM

Paris, Sept. 3.—The supreme council of the peace conference decided yesterday to send a note in forceful terms to the German government pointing out the contradiction with the Versailles treaty of the provision in the new German constitution providing for the representation of Austria in the German reichsrath. The committee demands the suppression of the article within a fortnight, threatening that otherwise the allies will be compelled to undertake a further occupation of the left bank of the Rhine.

CHAMPIONSHIP SERIES

Clarendons Defeat Cardinals by Score
of 4 to 3

The first game for the independent amateur baseball championship of Northern Virginia between the Cardinals Athletic Club team and the Clarendon Athletic Club nine was played in Clarendon Labor Day and was won by the Clarendons by a 4 to 3 score.

The Clarendons challenged the Cardinals, through a Washington newspaper with a lot "hot-air" stuff and they were quickly called to time by the Cardinals president, who informed them, through the same newspaper, that they could arrange a series by having the Cardinal and Clarendon representatives meet for that purpose but they have not arrived to do business up to date. It was proper to have the first game of the series played in this city as the Cardinals were challenged by Clarendon and had the right to select the battle grounds, but the up-county folk would not come to their fast-thriving town.

To show the Clarendons that the Cardinals were not timid and had no fear for their tribe the home lad visited their stronghold as stated above.

The baseball game was a great one with both teams fighting hard to win. Many brilliant plays were made by members of the Cardinals and Clarendons during the afternoon.

Jimmy Quayle pitched great ball for the Cardinals and had the Clarendon clan "whiffing" at his fast one hard enough to break their backs. He should have had an easy win, and would have done so had his comrades used their "thinking tanks" to advantage when men were on bases, and to have kept them there instead of making unnecessary throws to catch them.

Pfiel, the Clarendon twirler was hit hard by the Cardinal batters, who had no trouble in connecting with his offerings, but he was saved by good fielding.

The Clarendons are scheduled to play the Cardinals on the High School field next Sunday, September 7, at 4 o'clock p. m., and a great game is sure to be played. The fans who attend are respectfully requested not to crowd the playing field as it interferes with the players good work.

ILLINOIS CENTRAL LEADS

In the campaign for on-time passenger train service in the Southern Region, the Illinois Central Railroad in July again led all other lines, bettering its fine June record by putting 98.5 per cent. of all its trains into final terminals on time despite delays for any cause, including 577 connections. During the month 6,644 trains were operated by this road and 6,550 of them reached their terminals on time, while 6,557, or 98.5 per cent, maintained schedule or made up time. These percentages compare respectively, with 96.6 and 96.8 in June.

The general average for all railroads during the month did not equal the high records set in May and June although it continued to be good in comparison with earlier records. There were 53,256 passenger trains operated by the twenty-nine roads. Of that number 49,248, or 92.5 per cent, maintained schedule or made up time, while 47,774, or 89.7 per cent arrived on time at final terminals.

Among the larger railroads, the Southern, operating 15,875 trains stood near the top of the list with 14,508, or 91.4 per cent reaching final terminals on time, and 14,964, or 94.3 per cent maintaining schedule of making up time.

THE PRESENT CRIME WAVE

Highway robberies, not only on the outskirts of Washington, but often within the city limits and in some cases in broad day light, are on the increase. They are becoming daily occurrences, and are naturally causing apprehension to many Alexandrians and other nearby residents who for business or pleasure visit the nation's capital.

Residents of portions of Maryland bordering on the District of Columbia are equally anxious, as in some cases they have been victims of hold ups.

It seems that there is no let up in the wave of crime that has been sweeping over the District of Columbia for six months or more. It seems to be extending to localities beyond the Washington city limits. Highwaymen traveling in automobiles are the latest form of robbery. They waylay and hold up people riding in automobiles, and, according to the latest reports turned in, have in a number of instances made sufficient hauls in cash and jewelry to encourage them to expand their field of operations.

While most of the hold-ups so far have been in the more sparsely settled sections of the District of Columbia, several bold and successful jobs have also been pulled off on the Virginia side of the Potomac river between Georgetown and Alexandria.

THE PEOPLE MAY STRIKE

In these latter days, with the cost of food high and higher, strikes are growing in number. A strike reduces production, a reduction of production is a reduction of supply with demand greater than supply comes additional cost, it costs more to live, and so it goes on, ad infinitum.

Under prevailing conditions, a contemporary asks, "What are the people to do? It is assumed that the masses are at the mercy of the classes. The classes may be temporarily benefitted. One class is sure to be the profiteer. They are not troubled in consequence of less production. They assume that the less they have the more they will get for it, the bulk will be less it will be easier handled and stored. Children crying for bread would be music to their ears.

"The professional profiteer with a heart and soul steeped in avarice, he smiles at the act of any class that will reduce supply. The only out-

standing feature of his unprofitable life is that of inhumanity. He cares nothing about empty stomachs or scantily clothed bodies so long as he has a fat purse.

"But might not the people be driven to a point where they might organize and go on a strike? Soldiers in the American Civil War sometimes found themselves in a situation where it became necessary for a time to live on half rations. They did it. They didn't mutiny, throw down their guns and 'go on strike.' They remained in ranks and did their duty as soldiers. While they were fed less, on half what they had been allowed; but they did not starve.

If the people should go on a 'strike,' if they should agree they would live on half rations for a season, the hoarders and profiteers, would be bereft of profits and what they have hidden would suffer loss if they would not come down from their perch.

"The people have not come to that yet, although many of us are not finding a whole ration on our tables we are not agreed upon an organize strike. But we do demand laws with teeth in them concerning the offending profiteer. If they will not listen to reason, if they are blind to humanity, teach them a lesson by housing them behind bars or prison cells."

WHO DOMINATES THE PAPER?

For the ready reference of those profound students of public subjects who are positive that a newspaper is owned, or dominated by a particular interest when it does not agree with the views of the aforesaid, profound students, the Louisville Courier-Journal has compiled a tabulated formula by which anyone at a glance may ascertain just what interest owns or dominates any newspaper any time.

For good roads—owned by the cement manufacturers.

For enforcement of ordinances requiring tail lights to be kept burning on automobiles at night—controlled by lamp manufacturers.

For free textbooks for public school children—dominated by Wall Street and railroad interests.

For Government ownership of railroads—dominated by Wall Street and railroad interests who desire to trade their fluctuating and watered stocks for gilt-edged United States bonds, with a guaranteed income.

A NERVOUS WRECK

From Three Years' Suffering, Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work."

I just wanted to sleep all the time, for that was the only ease I could get when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today.

For another epidemic of Spanish IS IT "JUST A COLD?"

Alexandria People Should Ask Themselves This Question.

Don't say: "It's just a cold."

It may turn into backache, rheumatic aches, achy joints.

Or other serious sickness that comes from weak kidneys. Colds are due to congestion.

Congestion makes the kidneys overwork to filter the blood. Colds often leave the kidneys weak.

First break the cold; Then use Doan's Kidney Pills to prevent the kidney dangers.

Let this Alexandria resident tell you about them.

Mrs. Walker Campbell, 707 Pendleton St., says: "I caught a cold and it settled in my kidneys. I had such pains I could hardly catch my breath sometimes. When I bent over it was hard to straighten again, the pain was so bad. My kidneys acted very irregularly especially at night. I got Doan's Kidney Pills at Duncan's Drug Store and took them according to directions. I was entirely cured and thought that was over two years ago. I have had no return of kidney trouble since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Campbell had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

U. S. WILL LOSE IMPERATOR

Big German Ship Ordered Returned to Supreme Allied War Council

The great German ship Imperator and others which were "allocated" to the United States by the supreme allied war council are to go back to that body for disposition in the same way at some time in the future.

It is stated here officially that the Imperator is now being "reconditioned"—that is to say, she is being put back in the same shape in which she was taken over for purposes of transportation of troops home from Europe by the United States.

None of the government officials appear to be willing to make any statement about the status of the Imperator and vessels in her class. They say that there has always been an impression that some way might be found by which this ship and

some others might be turned over to the United States, not as spoils of war, but as a matter of exchange for debts.

BOY DROWNS

ALL WHO HAVE BAD NERVES AND ARE RUN DOWN SHOULD TAKE THIS WOMAN'S ADVICE

"I surely sympathize with those who suffer from nerves and a run-down system. I know from experience just what it means and because of what I suffered I believe that I owe it to others to tell how, at last, I found such great relief."

I was recommended to take Chasco-Vin, an old time nerve and body-building tonic and it afforded me relief almost from the first dose, but

I kept it up, taking it regularly. I am now on the third bottle and I surely feel my old self again.

In my opinion those who suffer with bad nerves and those who are run-down generally should lose no time in obtaining this wonderful tonic.

The Alexandria agency for the sale of Chasco-Vin is Edgar Warfield, Jr., King and Pitt Streets.

To Our Patrons

Alexandria, Va., June 2, 1919. In line with our progressive banking methods, and to meet the demands of our patrons, we are installing on July 1st, an up-to-date Safe Deposit Department, under the personal supervision of one of our officers.

This has been made necessary from the fact that a large number of our depositors owning Liberty Bonds and other securities desire a safe place for their keeping.

It is our plan to enlarge the number of Safe Deposit Boxes, and make a rental charge to meet the operating expenses of this Department. This change will become effective July 1st, 1919, and a bill will be sent out at that time to the holders of boxes, and if any desire to make any change we will be glad to have them call before the bills are rendered for the ensuing year.

Announcing the CLEVELAND SIX \$1385

THE new Cleveland Six is here, the car that automobile dealers have been waiting for and talking about for two years past. It is the 1919 achievement of motordom, bringing new qualities, new ideals, new excellence into the light-car field, and at a price which will please countless thousands who care for the better things of life.

You will admire and wonder at this new car, for the industry has offered no other like it. You will be delighted with its grace and style. You will marvel at its power and speed and quietness and comfort. Truly here is the car that will dominate the whole light-car field.

Skill and Sincerity are Built into This Car

The Cleveland Six is the product of men splendidly experienced in the design and making of fine cars, men who have contributed their genius and skill and sincerity to the building up of one of America's finest high-quality cars. So the Cleveland is an expression of the best ideals for service to the world, dependable service of transportation and recreation. It is a really unusual car. It brings genuine motoring satisfaction within reach of thousands who have wanted such a car. It brings new motor-car quality at a low price.

Test Cars on the Road Three Years

The Cleveland is a finished product. There is no suggestion of the experimental about it. It is new to the public, but to the men who conceived it and developed it the Cleveland is a perfected car.

Cleveland Sixes have been on the road for three years, undergoing every conceivable test for performance and endurance. Two years ago the car was ready for production. But the war was coming, and the Cleveland waited.

Today, in a splendid new plant, the very last word in modern equipment and method, this car is built for you. Managing this great plant, directing all its various departments and guarding every operation, is a group of men whose sincerity of purpose is a guarantee of excellence in their car.

Powerful, Sturdy and Simple

Mechanically, the Cleveland Six is of extraordinary sturdiness and simplicity throughout. It is distinctive. It has refinement of construction not commonly found in low-priced cars.

The wheel-base is more than ample to permit of the most pleasing body designs and to provide seating capacity for five adult persons in the very extreme of comfort, with proper pitch of cushions and lots of leg-room.

Power? There is power to spare in the Cleveland Six. Power that takes the loaded car flying over the hills, and at any speed that anyone would wish over the country road and open highway. Power so flexible, so responsive to the slightest touch of the throttle, that those of us who have driven many cars know there are few motors indeed that compare with it at all.

And this motor is in no other car. It is the exclusive Cleveland Six motor, designed by engineers of the Cleveland Company and built under their supervision in Cleveland factory.

Your Own Choice of Four Beautiful Bodies

The Cleveland Six will please you. The body designs and furnishings of the handsome touring car, the snappy single-seat roadster, and the two splendid closed car models, are worthy of the mechanical excellence of the car. In some one of these four models you will find your car.

ELECTION NOTICE

At a Circuit Court of the City of Alexandria, continued and held at the Court house of said city on Wednesday, July 9th, 1919. Present. Hon. Samuel G. Brent, Judge.

In the matter of the petition of electors for a change in the form of government for the city of Alexandria, Virginia, under the act of the General Assembly, approved March 20, 1916.

And this day again came the petitioners and again presented their petitions prepared and executed in due form of law, of electors of the City of Alexandria, equal in number to at least ten per cent. of those qualified to vote at the last preceding general election, at which a mayor or council was elected, and specifying in said petitions the particular form of government permitted under an act of the General Assembly approved March 20, 1916, as amended, and which form they wish to adopt, including the number of councilmen, namely five, to be elected at large and to serve without compensation, and asking that an election be held, as provided in said act; and said petition being in all respects in conformity with the provisions and requirements of said act.

It is therefore ordered that E. E. Downham, Richard E. Sweeney, and T. A. Moore, or their successors in office comprising the Electoral board of the City of Alexandria, Virginia, be, and they are hereby directed to take such steps and prepare such means as may be necessary to submit to the qualified voters of the city of Alexandria, Virginia, at an election which said electoral board is hereby directed to hold on the 23rd day of September, 1919, for determination of the question of whether said proposed change in the form of government of the City of Alexandria, shall be adopted or not.

Said election shall be conducted in the manner prescribed by law for the conduct of regular election, and by the regular election officers of said city.

And it is further ordered that a copy of this order be published in the Alexandria Gazette, a newspaper published in the City of Alexandria, for at least thirty days prior to said election and said electoral board is further directed to give all due publicity to said election, that under the law they are required to give of regular elections.

And the Clerk of this Court is directed to transmit a copy of this order to each member of the electoral board.

Madam Nevada
Gifted Palmist and Clairvoyant

She does not tell things to please you, but reads your hand just as it indicates; from the cradle to the grave; tells every person what steps in life to take to better themselves; what part of the country is best for them; tells you how to become healthy; remain so; what business you are adapted for when and whom you will marry settles and explains love affairs and family troubles; reunites the separated. Does everything seem to go wrong and has fortune never smiled upon you? Has your life been empty? Do not despair as you can yet learn the true road to success and happiness for both await you if you will only know how when and where to find them which will be revealed to you. ASK DEATH FOR BOYS

Three Memphis Youths Face Gallows If Guilty of Assaulting Girl

Memphis, Tenn., Sept. 3.—That the death penalty shall be meted out to Allen McNamara, Jack Frye and Fuller Langley, three white youths charged with crimes against three young girls last Friday night, if they are found guilty after the trial in the Criminal Court, will be the demand of the law enforcement committee of the Chamber of Commerce.

This plan of action was announced by Colonel Roane Waring, chairman of the committee, following a secret meeting.

The committee will offer the services of an able criminal lawyer to assist the State and will back the prosecution with unlimited finances. The committee will oppose any effort to obtain the release of the accused men on bond.

The committee will insist that the prosecution shall demand the extreme penalty for the accused men in the event they are convicted—death in the electric chair.

"We are going through with this case," Col. Waring said. McNamara and Frye are in jail, while Langley is still at large.

REJECT 4-CENT OFFER

Unofficial Returns of Vote Spurn the President's Compromise

Returns of the vote taken by the various locals of the 500,000 railway shopmen show that they have rejected the President's compromise proposition to give them a 4-cent raise in wages. This announcement was made unofficially at the Washington headquarters of the railway shopmen's officials yesterday.

At the same time it was stated that the rejection of the President's proposition does not mean that the shopmen will strike at once. It was stated that the fact that the shopmen are remaining on the job indicates that they approve of the letter sent to them by their leaders urging that a truce of ninety days be carried out to give the President a chance to show what can be done in reducing the cost of living.

It was also said that there is no danger of the shopmen carrying out the original vote to strike at this time. In two or three places the

shopmen have gone out, according to the leaders, who are in charge here.

The officials of the railway shopmen declare that they have the situation well in hand and that they will be able to keep the shopmen on the job while the President is working out his plans. They are prepared to deal property with shopmen's locals that refuse to carry out the orders of their officers.

THEATRES

RICHMOND THEATRE

At the Richmond Theatre tonight Lila Lee will be seen in her latest Paramount success, "Heart of Youth."

Ford Sterling in a Paramount-Mack Sennett comedy, "Among Those Present" will be shown as an attraction with the above.

GRAND TONIGHT

Though there have been many songs extolling life on the ocean wave, life on our inland waterways has seldom aroused the interest of the playwright. Hence "Still Waters," a story of canal boat life and of the circus, in which Marguerite Clark is the star and which will be shown at the Grand Theatre tonight will prove of especial interest to film fans. Also E. K. Lincoln in "Elmo the Mighty."

INGOMAR THEATRE

In "Bare-Fisted Gallagher," William Desmond's latest production to be seen tonight at the Ingomar Theatre, the popular big star has a role that is a delightful blend of comedy and drama. Desmond is at home in a character of this sort, a mingling of the melodramatic with richly humorous situations, and his Celtic phiz and genial personality register genuineness and wholesomeness. "Bare-Fisted Gallagher" is a breezy and big hearted Texan who, after inheriting some mining property from his uncle in California, starts out to run to earth a mysterious bandit who has been robbing the stage of ore belonging to the mine. SHRINERS HOLD GREAT MEETING AT SAVANNAH

Savannah, Ga., Sept. 3.—Alec Temple, Nobles of the Mystic Shrine, was host yesterday of several hundred visiting Shriners and their wives from all sections of Georgia. There were exhibition drills on the street by visiting teams from a number of cities, massed band parades in different sections of the city, automobile rides and theater parties for the ladies, a shore dinner at a nearby resort and other forms of entertainment.

A giant parade took place this afternoon, and last night the ceremonial sessions of Alec occurred.

RAILROADS' FATE

Bill Provides Private Ownership With Governmental Supervision

Return of the railroads to private ownership and their operation under a strict method of governmental supervision are provided in the new railroad bill drafted by the Senate Committee on Interstate Commerce and introduced in the Senate yesterday by Chairman Cummins.

The bill proposes to divide the railroad systems of the country into not less than twenty nor more than

thirty-five systems under regional direction. Prohibition of strikes and lockouts by employees is contained in the bill as are also provisions for profit sharing by employees and their elevation to positions in the directorates of the railroad companies.

MILKMEN ON STRIKE

The Farmers Supplying Cleveland Threaten to Shut off Supply

Cleveland, Sept. 3.—Cleveland must pay 2 to 3 cents more a quart

for milk or find its supply shut off, according to an ultimatum from farmers in the hands of milk distributors yesterday.

More than 100 farmers were represented in the combine. They demand 36 cents a gallon for their milk. The price to the consumer is 15 cents a quart.

The farmers said their present price of 33 cents a gallon, is below the cost of production. The city was short 15 per cent of its normal supply today.

Firestone
TIRES
Most Miles per Dollar

SOME day, some Firestone user is going to convince you of the true economy of using Firestone Gray Sidewall Tires.

But why wait?

Ask some Firestone users. Better still, ask any tire repair shop. The vulcanizer knows that the Firestone Gray Sidewall is the best tire built—so good that he gets fewer to repair than any other tire of large output.

Let your next tires be
